Bid Reference No. 1542/SCTB dated 03/10/2026

EOI for procurement of up to 1,00,000 bicycles from local manufacturers for students studying in Class IX in the state of West Bengal

Minutes of pre-bid meeting

Date: 30/10/2026
Time: 16:00 Hrs.
Venue: Conference Hall, WB SC ST OBC Development & Finance Corporation, CF-217/A/1, Sector-I, Salt Lake, Kolkata -700064

Present: As per list attached

Shri B. Mukherjee, Managing Director, WBSCSTOBCDFC – In the Chair

1. As per the Bidding Schedule, pre-bid meeting was held with the representatives of prospective applicants (list attached) on Friday, 30th October, 2026 at 4 P.M. The following 3 prospective bidders turned up for the meeting.

1	M/s Unirox Bikes Pvt Ltd
2	M/s Agarwal Udyog
3	M/s Krypton Enterprise

2. The eligibility criteria for short listing the prospective applicants and the Bidding process were explained to the bidder's representatives present in the meeting.
3. Unirox Bikes Pvt. Ltd., by letter dated 28th October, 2026 and also during the pre-bid meeting, sought the relaxation of the following eligibility criteria:

   Suitable relaxation or exemption from the three (3) year prior operational experience and sales turnover criteria mentioned in the Expression of Interest in Para (d) and Para (e) to One (1) year prior operational experience only in consideration of the investment made by M/s Unirox Bikes Pvt Ltd to establish their local MSME manufacturing unit at Kharagpur.

   The members of the tender committee examined the request for relaxation of eligibility criteria in the light of UO No. Group T/2026-2027/0770 dt-01/10/2026 of the Finance Department, where, the proposal to permit state based MSEs having at least three (3) years operational experience was acceded to. Therefore, the members of the committee unanimously decided that no further relaxation of the operational experience for state based MSEs would be undertaken at this point and the proposal for modification of the terms of EOI was not accepted.
4. M/s Krypton Enterprise sought some clarifications regarding pre-requisites to be the consortium members. It was clarified that consortium is generally allowed to meet the shortfall in eligibility criteria & capacity. In this particular EOI consortium has been allowed on the perception that local manufacturers may not be able to meet all the

requirements to be technically qualified. However, the lead member of the consortium has to be responsible for all kinds of activities & transactions related to supply of bicycles under this EOI.

Hence, the lead member & at least another member are required to be either manufacturer of bicycles or manufacturer and assembler of bicycles or manufacturer of bicycle components having a plant/ facility in operation in West Bengal for at least three (3) years meeting the minimum production criteria as per Terms of EOI in Para (d) & (e).

5. M/s Agarwal Udyog sought the relaxation of the following criteria:

   (i) The rate of bicycle is to be revised as the cost of raw materials has been escalated by 10-12% since the rate discovery through e-tender in January, 2026.

   (ii) *"Registered proprietorship firm"* should be incorporated in clause (a) of page no.1 of EOI document.

   The members of the Tender Committee deliberated on the issues raised by M/s Agarwal Udyog & unanimously resolved the following:

   (i) The representatives of M/s Agarwal Udyog were informed that this EOI was invited with a view to find out state based MSEs who are interested to supply bicycles at the discovered rate, i.e., Rs. 3,999/- & therefore, there is no scope of revision of rate.

   (ii) "Registered proprietorship firm" may be incorporated in clause (a) of page no.1 of EOI document pursuant to the approval of the BCW Department, being the Nodal department for SARATHI scheme. Following approval, the matter may be incorporated in the corrigendum accordingly.

6. *The Chairman of the tender committee informed the prospective bidders regarding change in the colour code of the bicycle mentioned in the Expression of Interest in Page 6 under Specifications for Ladies' Bicycle and in Page 9 under Specifications for Gents' Bicycle, both under Serial 3: Colour would stand revised from "Metallic Blue & white combination" to "Metallic Orange & Grey combination" in a corrigendum to be published in this regard.*

7. All other terms & conditions as laid down in the EOI remain unchanged. The Committee emphasized the strict compliance of the Bidding Schedule as contained in the EOI by the prospective applicants.

The meeting ended with a vote of thanks to and from the Chair.
